

SHAMROCK FARMS BUTTER

Everything's Better With Butter

Shamrock Farms® Butter starts with pure, fresh milk from our family of local farms. Crafted with a hands-on approach, our delicious butter performs consistently better so you get rich, creamy and delicious taste in your favorite recipes every time.

- SHAMROCK FARMS® -

Butter

MENU INSPIRATION

Our butter is great as a spread, in sauces or in this delicious **Madeleine** recipe.

Better dishes start with better dairy. And for pure freshness and superior performance in the kitchen, chefs who prefer the best prefer Shamrock Farms. For 100 years, we've worked tirelessly to perfect the craft of dairy. You can trust Shamrock Farms to deliver the great-tasting, high-quality products you demand.

PRODUCT FEATURES

- Made with farm-fresh milk for superior taste and performance
- Consistent quality that stands up to the demands of chefs
- Has less water than the competition, which allows you to sear — not steam — your meat and fish
- Clarified Butter item has a higher smoke point, allowing you to sauté a bit hotter
- Whether serving at the table, offering as part of your breakfast bar or providing in your to-go bags, a variety of convenient individual portions are available
- Made with 83% butterfat, our European Style Butter is churned in the European tradition to provide a finer flavor, softer texture and maximum pliability
